

JOORNEY IS HIRING

Business Plans

Business Plan Researcher and Writer

Joorney is a **business plan writing company** that focuses on **specific purpose business writing and financial forecasting**. The overwhelming majority of the company's services are provided to clients operating or aiming to operate in the North American markets.

You will join our team that consists of more than 80 people in our offices in Belgrade, Novi Sad, Niš, and Banjaluka. Your main goal will be to prepare **outstanding deliverables** for our clients, and to thus maintain and improve clients' product satisfaction that allows for our continuous **organic growth**. The position requires a lot of multitasking and communication with multiple colleagues for input and feedback purposes. Through an intense learning process and ongoing communication with colleagues, you will have the opportunity to grow and advance by learning new business plan types and industries, and ultimately by managing your own projects.

Job Responsibilities:

- Properly understand the client's **business model** via research and analysis of received documents and explain it in detail
- Assess major **industry trends** and describe their current and future impact on the client's business
- Conduct relevant **market research** to support the feasibility of the client's business idea
- Conduct research on the competition and describe the client's **competitive advantages**
- Define and describe the client's current and predicted **organizational structure**
- Prepare **financial assumptions and projections** of the client's business for the next five years
- Collaborate with Project Managers and Proofreaders to determine writing **objectives** and **deadlines**, as well as to make **improvements** to the prepared deliverables
- **Revise** documents per the Proofreaders', Project Managers', and clients' requests
- Manage your own **time** effectively

Candidate Profile:

- Outstanding **written English language** skills
- Competency in **Microsoft Office** [with a focus on Microsoft Word and Microsoft Excel]
- Ability to be decidedly **detail-oriented** during every work day
- Ability to adhere to tight deadlines

- **Self-motivated** individual able to work **independently**
- Ability to **organize yourself** and continuously **multitask**
- Ability to quickly go through **vast amounts of data** and cherry-pick the important data points
- A knack for **business analytics** and promptly **summarizing data**
- **Bachelor's degree** or a higher degree level [economics or a business-related degree is preferred]

Work Conditions:

- **Full-time** job
- **Hybrid working policy**, which includes flexible working hours [beginning of each work day at any time between 10h and 14h] and choosing either work in *one of our Serbian offices* or *remote work*, which can be executed from your preferred location anywhere in the country
- Competitive **compensation** package
- **Private Health Insurance** as an added benefit after 6 months
- Mostly **short**, yet detailed and engaging projects
- A very **dynamic** and a **multitasking** environment
- Comprehensive **training**
- Timely and organized **performance reviews**
- **Non-repetitive** work to a high degree

If this seems like the right job for you, we invite you to submit your resume to apply@joorney.com. Please submit your resume **in English language**.

Additional documentation is welcome, but is not mandatory and does not have to be in English.
